# Cleartex Glaciermat glass chair mats

Crystal clear and elegant designer floor protection for your home or office.

A designer range of glass chair mats that offer an added touch of class to floor protection.

You spend considerable time and expense on designing your office environment so why wouldn't you finish it off by adding a Glaciermat glass chair mat!

As the ultimate in floor protection and ergonomic performance, the Glaciermat will enhance the appearance of your hard floor or carpets while also providing an eye-catching office feature.

## Glacier Chair Mat Features and Benefits

- Crystal clear protection enhances the appearance of hard floors or carpets.
- Straight edges and radius corners for an elegant finish.
- Reinforced glass construction designed for weights of up to 1000 lbs.
- Provides perfect protection for all types of hard floors or carpets.
- Ultra tough and perfectly flat surface for easy glide ergonomic performance.
- 10 Year Limited Warranty.

Perfect for use with Big & Tall chairs.  
Made from silica sand, sustainable and environmentally friendly.  
36" x 48", 40" x 53", 48" x 60" and 48" Diameter size options.

# Viztex Glacier magnetic Dry Erase Boards

Elegant and eye-catching Visual Communication Boards for both home or office use.

A designer range of Magnetic Dry Erase Boards offering unique design features to enhance your home or office environment's style and function.

## Glacier Magnetic Dry Erase Features and Benefits

- Writing surface will not wear or erode, equally effective after 1,000,000 uses.
- Rounded corners for added safety and elegance.
- Clear unprinted border adds visual depth and reflection to fully emphasize the quality and style of the glass construction.
- No ghosting effect that can be evident on porcelain or lacquered steel boards.
- Fade proof printed designs.

Made from silica sand, sustainable and environmentally friendly.

- High specification magnetic backing for strong-hold performance.
- High quality 4mm tempered safety glass. Five times tougher than conventional glass.
- Quick & Easy to clean.
- 14" x 14", 17" x 23", 24" x 36" and 30" x 40" size options.
- All models can to be mounted either in landscape or portrait formats.
- Light Teal, Soft Violet, Polar White and Jet Black designer colors and combination options.
- 5 Year Limited Warranty.

# Viztex Glacier magnetic Dry Erase Boards

Elegant and eye-catching Visual Communication Boards for both home or office use.

## Glacier Plan and Notes

Combines a seven section index area to customize for your individual needs (i.e. days of the week, key activities, names etc.) with a multi-purpose grid design for notes, planning grids or miscellaneous.

Subtle grid design provides a guide for the construction of planning grids and charts - or simply as a guide for the neat and even adding of notes and messages.

## Glacier Multi-Use Grid

Full board multi-purpose grid design facilitates easy customization and construction of geometric shapes.

The color contrasting yet subtle grid dots provide the perfect guide for the easy construction of straight lines, charts and tables.

They also provide a subtle eye-catching visual wall feature, the benefits of which contribute to everyday efficiency!

### Invisible Fixings

14" x 14" and 17" x 23" models.

- New moulded mounting system.
- Totally invisible once mounted.
- Avoids the glass scratches and marks that can occur with the 'key hole' type fixings used by competitors.
- Clean and elegant appearance.
- Enables total use of the board surface.
- Landscape or portrait mounting.

### Wall fixing options

Edge and 'Invisible' fixings.

### Aluminium effect edge fixings

24" x 36" and 30" x 40" models.

- Provides a sturdy and effective mounting solution for larger boards.
- Minimal intrusion into the working surface.
- Allows landscape or portrait mounting.
- Simple and easily adjustable system.

## Desktex Glacier Desk Pads

A designer range of glass desk pads that offer an added touch of class to desk and work surface protection.

19" x 24" and  
20" x 36" size  
options.

### High-end design and superior style that enhances any office or home work surface.

- Crystal clear tempered glass adds the ultimate in elegance and style to your desk top.
- Totally smooth, providing superior easy-glide ergonomics.
- The ultimate writing surface.
- Incredibly tough, will not crack or discolor.
- Heat resistant to 1832° F / 1000° C.
- Straight edges and radius corners for added style.
- Complete with silicone feet for maximum stability in use.
- Hygienic and easy to clean.
- 5 Year Limited Warranty.
